Sub: Company Update: Commissioning of cement capacity

Dear Sirs,

We are pleased to announce the commissioning of the second cement grinding mill with a capacity of 1.8 mtpa at the Company's Unit located in Maihar, Madhya Pradesh, as part of the Company's ongoing expansion plan. The first mill was commissioned in March 2025.

The Company continues to enhance its production capabilities to meet the growing demand for cement.

Consequent to the above, the Company's consolidated domestic grey cement capacity stands at 186.86 mtpa. Along with its overseas capacity of 5.4 mtpa, the Company's global cement capacity stands at 192.26 mtpa.

The above is for your information and record.

Thanking You,

For UltraTech Cement Limited
