**Green field expansions: Grinding Unit at Dankuni, West Bengal**

In the last 6 months the Company has commissioned the following greenfield / brownfield plants:

1. Clinker capacity of 2.0 mtpa at Aditya Cement, Rajasthan (Mar-15)
2. 2.0 mtpa Bulk Terminal on the outskirts of Pune, Maharashtra (Aug-15)
3. 1.6 mtpa Grinding unit at Jhajjar, Haryana (Sep-15)
4. **Further we are glad to inform that, the Company's has commissioned this month, its 14<sup>th</sup> Grinding unit with a capacity of 1.6 mtpa at Dankuni, in the state of West Bengal.**

With this the Company's cement capacity stands augmented to 64.7 mtpa in the country

Clinker requirement of the Dankuni Grinding will be met through Rawan Cement Works, situated in the state Chhattisgarh.

The grinding unit is strategically located at a distance of less than 50 kms from Kolkata city. Cement demand growth in the eastern region has remained higher than industry average during last 2-3 years and it continues to grow in double digits.

The Company is operating around 100% capacity utilization in the region. With commissioning of this Grinding unit, the Company has increased its cement capacity in the Eastern region to 9.8 mtpa.

**Disclaimer:**

*Statements in the above "communication" describing the Company's objectives, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand supply conditions, finished goods prices, feedstock availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the Company conducts business and other factors such as litigation and labour negotiations. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statement, on the basis of any subsequent development, information or events, or otherwise.*
